## All About Italian Culture, Customs, and Traditions

Some of Leonardo's drawings were copied by an anonymous Milanese artist for c. These two periods had very distinct foundations and styles behind the art and architecture of their respective periods. As Sir Philip Sidney wrote in his Defence of Poetry c.

## Exercises in Creativity: Italian Drawings, 1500

In the smaller painting, Mary averts her eyes and folds her hands in a gesture that symbolised submission to God's will. Also, the members share a very strong bond, even if they live far from their families, and always join their families on every small and big festival. Naturally, the church's influence meant that Baroque art from Italy almost always had religion as its subject matter.

## Art Movement: Futurism and Futurist Artists

Haverkamp-Begemann, Egbert, and Anne-Marie Logan. New York City, New York: The is the only privately owned major scientific work of Leonardo; it is owned by and displayed once a year in different cities around the world.
