### Premier Trauma Treatment Center for Adult Survivors of Childhood Sexual Abuse

However, reveal 90 percent of children know and trust the person who sexually abused them, and in 35 percent of cases, the perpetrator is a family member.

### Welcome to DTA

The effects can be so strong that the child may even become suicidal. Specialized Sexual Abuse Services Clinical assessment and treatment services are provided to youth in residence on the Elmcrest campus or in the community Family Transitions Program through the Specialized Sexual Abuse Services SSAS. The first indicators of sexual abuse may not be physical but behavioral—in some cases, there may be no physical evidence of the abuse.

### Residential Treatment Program

The success of treatment for children in RTCs depends heavily on their background i.
