**Riding Logic, by Wilhelm Müseler**

All told this is probably a book which should be read over and over, and each section dissected as the horse and rider progress through each phase of training. Müseler explains why the rider, from the very first lesson, must concurrently master the three interdependent aspects of rider training seat, feeling, and influence in order to become an equestrian of the highest caliber. Со схемами и геометрией движения всадника и лошади.

### Riding Logic

I find myself referring to it regularly and understanding something new each time. Line drawings also illustrate the text and help with the understanding of concepts. Horse Logic LLC offers horseback riding lessons in Dressage, Western and Hunt Seat.

### Riding Logic: Transform Riding Skills to Art on Horseback with Classical Lessons in Flatwork and Jumping by Wilhelm Müseler

It expertly provides a wealth of practical knowledge. Out of print for more than 10 years, this classic book on equitation introduces and explains the art of riding. As Wilhelm Müseler says, anyone can learn to ride, for riding is a skill.

### Review: Riding Logic

First published in 1937, 'Riding Logic' provides practical steps to achieving the sympathetic partnership advocated by today's natural horsemen. Лично я так научилась поворачивать лошадь вокруг задних ног :).

### Saint Charles Horseback Riding Lessons by Horse Logic

He provides lessons for improving suppleness, introductory exercises on the trail and over fences, and corrective work for various behavioral or training problems.
