Though they work with the original cartridges which are quite expensive , the empty ones can be refilled with a syringe.

### The art of calligraphy

. With all the fantastic YouTube videos out there, and quite beautiful step-by-step books, there just isn't any reason to try to struggle through with this one. The first time I took a calligraphy course was about a year ago, and the decision was quite hard.

OK but how about the other half of the book? Brisbane, Australia, is now home and I write stories for children of all ages, and also non-fiction for adults and young people. Like a fingerprint or a voice, it is unique for each person. The selection of colors and variants is quite extensive, but it is quite expensive.
