Volney's Ruins or Meditation Revolutions Empires

To thee we will consecrate the tenth of our spoil; to thee we will raise new temples. I have wandered over the earth, I have visited cities and countries; and seeing everywhere misery and desolation, a sense of the evils which afflict my fellow men hath deeply oppressed my soul.

The Ruins, by C. F. Volney,

Illustrations, Index, if any, are included in black and white.

Volney's Ruins

The superior merits of this work are too well known to require commendation; but as it is not generally known that there are in circulation three English translations of it, varying materially in regard to faithfulness and elegance of diction, the publisher of the present edition inserts the following extracts for the information of purchasers and readers: PARIS TRANSLATION, First published in this Country by Dixon and Sickels. Hesion has at present no trace, any more than Quolzoum and Faran: it was, however, the harbor for the fleets of Solomon. In 1791 appeared Les Ruines, ou méditations sur les révoltes des empires, an essay on the , containing a vision which predicts the final union of all religions by the recognition of the common truth underlying them all.

Volney's Ruins or Meditation Revolutions Empires

He died in Paris and was buried at the. And consider what a tribute of glory the world, which reveres so many apostles of error, will bestow on the first assembly of rational men, who shall have declared the unchangeable principles of justice, and consecrated, in the face of tyrants, the rights of nations. The emigration of the Tartars took place in March, immediately on the manifesto of the empress, declaring the Crimea to be incorporated with Russia.

Volney's Ruins: Or, Meditation on the Revolutions of Empires : Constantin

Notwithstanding what is asserted by the missionaries, this situation has undergone no change. Now if, as must be the fact in this discordance of opinion, the greater part are in error, and are honest in it, then it follows that our mind embraces falsehood as it does truth; and if so, how is it to be enlightened? Thus his account has all the qualities that persuade—accuracy and candor. If they are all equal in the sight of God, what need of mediators? Much more common in older books printed on handmade papers with a high rag content than in books printed on manufactured papers made from wood pulp with a higher acidic content.

Volney's Ruins: Or, Meditation on the Revolutions of Empires : Constantin

It is the *Canis aureus* of Linnaeus.
