Design Guidelines

The historic preservation committee shall consider the merits of the nomination, according to the criteria of subsection A of this section. As the interments are within an active development site and cannot be avoided, the Applicant has requested a permit for their recovery, which will be performed by a qualified professional archaeologist. Generally, work that is approved by staff under a Certificate of No Effect consists of rehabilitation, restoration, maintenance and repairs.

Historic Preservation Standards and Guidelines

DSD staff and the planning commission shall consider all HPC comments and recommendations in reviewing permit applications. If you want some tips or just familiarize yourself with the form before beginning, this video is a great place to start.

HDLC

The Board voted to designate the Valle Vista Terrace Historic District under HRB Criterion A as a special element of University Heights' historical and architectural development with a period of significance of 1907-1942; and under HRB Criterion C as an intact collection of early 20th century architectural styles in both upper and working class expressions, with a period of significance of 1907-1950. The nomination will proceed through the public review process as presented. The 1891 completion of Shipe's streetcar line provided reliable transportation to downtown.

Historic Districts

Historic District Landmarks Commission The Historic District Landmarks Commission HDLC is the City's regulatory agency for local outside of the.

Historic Districts

What are the benefits of becoming a CLG? Is associated with the lives of persons significant in national, state or local history; 6. Local designation provides a tool to help retain neighborhood character, keeping the neighborhood special and a desirable place to live.

Local Historic Districts (HPOZs)

The two Commissions safeguard the heritage of the City by preserving and regulating and which reflect elements of its cultural, social, economic, political and architectural history. Lastly, the Board classified 107 properties as non-contributing resources the 112 properties identified in the staff report minus the five properties listed above. Within the district are 16 city landmarks including Fire House 4 and a Moonlight Tower at the corner of West 12th and Blanco Streets.
