When this book came out, I had already

had a number of years of 'spiritual seeking' - reading, talking to people, and reflecting on my own path. This book offers a condensed summary of each chapter in the Celestine Prophecy, in addition to a discussion about the insights as they appear.

## Bodystories: A Guide to Experiential Anatomy

The insights found in The Celestine Prophecy and The Tenth Insight have touched the lives of many millions of people; they are not theoretical. When we become aware of how they work, coincidences and serendipitous encounters increase for us. Thirty-one days of learning sessions heighten awareness about each bone and body system and provide self-guided studies. Wondrously matter of fact, she negotiates an awareness built on sensing, movement and clear information.

## Body and Earth : An Experiential Guide by Andrea Olsen (2020, Trade Paperback) for sale online

It is well suited for anyone interested in engaging embodied intelligence and living more consciously. Olsen displays an easy command of fields as diverse as geology, biochemistry, ecology, and anatomy as she explores the ways in which our bodies are derived from and connected to the natural world.
