Arts Education

And honestly, I do not trust WEU actual motives-- but that is just an opinion too. The Teacher Education Program The College of Arts and Letters shares responsibility with the College of Education for the Teacher Education Program. Take pride in your job and use your name next time.

Integrating the Arts with Technology: Inspiring Creativity

While the report is encouraging in many ways, it also highlights the profound ideological gaps either already embedded, or developing, on these knotty issues. In my opinion, it was nowhere near graduate level and there were many archaic references within the course content. Plastic pots make superb water pots and glue containers, and salt dough, which is frequently used in nursery and reception classes, is a great alternative to clay.
