Die in Polen seit Ende der 90er Jahre beobachtete Faszination von neuen dramatisch-schauspielerischen Formen aus Deutschland hatte nichts mit der sogenannten Dramaturgie der Wiedervereinigung zu tun. Новая, постимперская действительность Белоруссии оказалась слишком сложной, полной идентичностных дилемм и не способствующей развитию оригинальных белорусских ценностей. Although it did not receive its first performance at the Mariinsky until 1999, it has since become a core part of the company's repertoire which it has performed globally.

Интересно, откуда это взято где ссылки? Но автор-то знает, что самоучка Иосиф Бродский, не окончивший десять классов, — крупнейший русский поэт второй половины XX века, нобелевский лауреат. Foreign groups and individuals, who gave guest performances in the theatre are also described.

But my belief is that this company will get over its crisis years.
