Dismantling the Patriarchy: The Rise of Feminist Spirituality — Unpublished

It effectively shaped the social life of communities. It was in SASO that activists formulated the Black Consciousness philosophy.

Steve Biko and the Black Consciousness Movement

Stevens, Evelyn, and Tracy Ehlers. Poets such as Oswald Mtshali, Mongane Wally Serote, Don Mattera, Mafika Pascal Gwala, and James Matthews, among others, similarly dealt with black oppression and sought to inspire hope in black self-determination with positive images and themes of resistance and redemption.

Steve Biko and the Black Consciousness Movement

She tells of the support and fellowship among the confessors in prison, including other women.

The politics of women's spirituality : essays on the rise of spiritual power within the feminist movement

The Mainline churches helped define American culture in several ways. Contemporary research also finds that religion thrives in situations of inequality. Women and a few important male feminist allies took up this language to campaign for acknowledgement of women's rights within the societies in which they lived and to claim their empowerment, their access to authority, and their inclusion in decisionmaking at every level.

Gender and Religion: Gender and Christianity

They are not elite in the sense they control things in terms of ownership. The idea here is that we no longer need to argue it, because any argument of it is engaging with people beyond the pale.

Why feminists are less religious

Peter asks her to tell any words of the Savior which she might know but that the other disciples have not heard. Sollee of the 2017 book *Witches, Sluts, Feminists: Conjuring the Sex Positive*—one of the many feminist witch texts to arise out of the Trump era.
