Social Democratic Party

Since February 2019, the SDLP have been in partnership with.

Social Democracy

Democratic socialists will continue to play a key role in that struggle throughout the world.

Germany's government

Numerous state-owned enterprises have been privatized, taxes have been reduced, and the generosity of welfare systems curtailed. The Bad Godesberg program proved successful.

Views on political parties across Europe

Its longest-serving minister, Wolfgang Schäuble at finance, boasts that he will in 2015 propose the first balanced budget in 45 years.

Democratic Socialism Isn't Social Democracy

Here is the definition, explanation, description, or the meaning of each significant term on which you need information, and a list of their associated concepts as a glossary. It's free to use and each article or document can be downloaded.

The Crisis of Social Democracy in Europe on JSTOR

Reformisterna cofounder Daniel Suhonen talked to Jacobin about what happened to the Swedish welfare state, why working-class gains always have to be defended, and how he hopes to do just that.

Explaining the electoral debacle of social democratic parties in Europe

In 1924 the SPD, which had by then reunited with the Independents, won only one-fifth of the vote.

What is Democratic Socialism?

The end of the twentieth century saw an unprecedented coincidence of electoral success for social democratic parties in western Europe leading to intensive discussion on the future of this new European left. In Europe, socialists confronted a political landscape transformed by World War I and growing economic problems, culminating in the Great Depression.
