Vol. 51, No. 2, Summer, 1998 of Renaissance Quarterly on JSTOR

Olson's study falls into that rarest category of scholarly productions: one that reflects both its author's profound knowledge of the past and his equally great commitment to the present. In doing so, they highlight what has made Dante a vital point of reference for modern writers and readers, both inside and outside Italy.

The kingdom of science : literary utopianism and British education, 1612

Biblioteca Medicea Laurenziana, 7
Novembre - 31 Dicembre 1994 ; Sotto l'occhio del padre.

The Journey to Wisdom : Self

The book examines a philosophy of education that originated with the ancient Greeks and that reached its culmination in the late-medieval and early-Renaissance periods.

The author, a professor of English who has been involved in battles for education reform in the United States for many years, invites us on this journey toward wisdom from the time of the Greeks to the Renaissance. We cannot include unsourced information in the database.

Journey to Wisdom: Self

Member of the The University of Nebraska Press is part of a land-grant institution with campuses and programs on the past, present, and future homelands of the Pawnee, Ponca, Otoe-Missouria, Omaha, Dakota, Lakota, Kaw, Cheyenne, and Arapaho Peoples, as well as those of the relocated Ho-Chunk, Sac and Fox, and Iowa Peoples. The book examines a philosophy of education that originated with the ancient Greeks and that reached its culmination in the late-medieval and early-Renaissance periods. Whitaker Descripción - In the late Middle Ages, Christian conversion could wash a black person's skin white—or at least that is what happens when a black sultan converts to Christianity in the English romance King of Tars.
