Revitalizing traditional villages through rural tourism: A case study of Yuanjia Village, Shaanxi Province, China

It is not about what we think, it's consciously knowing when good thinking emerges. In the path towards sustainable tourism highlight true examples of sustainable tourism, experiences that prove that a sustainable future is possible.

Sustainable Tourism Management: Principles and Practice — Tilburg

Sustainable tourism and business practices

It will be a boxed feature which will appear in each chapter. A case study of the village of Yuanjia reveals that the model's three levels material, social and spiritual are effective pathways for successful village revitalization. The Building Sustainability Index BASIX ensures homes are designed using specific water and energy targets.

Principles of management ppt final

We are committed to restoring our cultural heritage for use by the tourism industry, making it possible to preserve and maintain this heritage for over 85 years. It will otherwise not be used or disclosed unless authorised or required by law. Bringing aspects of professional experience, personal adventures, projects within several communities and the science between nature and the brain, Good Thinking Outdoors is a place to discover and share.

Tourism: Principles and Practice

Chris Cooper is Foundation Professor and Head of the School of Tourism and Leisure Management at The University of Queensland, Australia. Provides evaluation and certification for tourism operators.

Principles of management ppt final

The owner of this Land wants to return part of this nature to the Mata Atlantica and for that, he did create two years ago the Instituto Manacá for the Mata Atlantica recovery, where some scientist work permanently already.
