It would be idle, however, to claim, for instance, that Cambridge to-day is quite as unique and charming in its simplicity and purity of life, or quite as classic in its atmosphere, as it was in the days when the town was a village, when the university was a college, and when thought and manners

were as ideal as James Russell Lowell in his essay, Cambridge Thirty Years Ago, and Thomas Wentworth Higginson in his latest book, Cheerful Yesterdays, picture them.

More of the romance of the ocean than landsmen know has survived a half -century of steam navigation. Off Valparaiso, in the South Pacific, the great ship was almost totally dis- masted, carrying away everything on the fore and main above the lower mastheads. Thoroton Society Volume XLI , with Kingsbridge Historical Society, 1997.
