### HOURS — Mack's Place, Inc.

Instead of being a shiny tar black, it was now a shiny lard white. By that I mean his narrative is smooth and fluid; his characterizations are deftly drawn, swiftly cemented and wonderfully indirect; his dialogue is interesting and believable; his plots are quirky, satisfying and memorable; and his wit crowns every page and makes each one of the four novels I've read an absolute delight. ### GameCube ROMs

That said, both books make for enjoyable reading.

### HOURS — Mack's Place, Inc.

Twilight Princess HD lays bare the decade-old original, but in doing so, gives it an identity beyond gimmicks. In , she secretly helps with her show by levitating all of her magic supplies to impress the audience. Later, Twilight decides to forego her independent study application and transfer to Canterbury High to learn about the magic of friendship.
