Popular Media, Democracy and Development in Africa

The convergence of media ownership along with a lack of diversity in representation and opinion led to the birth of the movement.

Role of Media in Democracy

This reduced the beauty of the once vibrant democratic state to a state where the rights of many Ghanaians were imprisoned, beaten, killed by soldiers. This means that the government can censor the media. British radio served as a means of countering those anti-colonial campaigns of the nationalist press.

Negotiating Democracy: Media Transformations in Emerging Democracies

They identify problems in our society and serve as a medium for deliberation. Democracies, however, have an inherent quality to heal themselves and can overcome these challenges if the necessary mechanisms are put in place.

Democracy in Ghana

However, similar rulings have been ignored due to a lack of authority.

History & Media in Ghana

Public protest: When people collectively state their opposition to some issue by organizing a rally, starting a signature campaign, etc.

The Role of the Mass Media in Ghana's Democracy

It relies on information technology to reach out to people and to empower them by encouraging them to participate more in media and journalism. On the other hand, the Radio is a simple medium that is portable as well. This watchdog role can take many forms depending on the nature of the medium concerned, as well as on the state of democracy and development in a particular country.
