'We felt complete': why I chose to have only one child

Our parents are our best friends.

Being an Only Child Can Actually Change The Structure of Your Brain

During the course of the pregnancy, we began to imagine what life would be like when our daughter arrived.

logo

Because I never had a sibling growing up, I spent more time having sleepovers or going to other homes of friends my age. Even if I do not go to prison or die, there is nothing to support my family and that nothing can be changed. Now as a young adult I look back and realize from when I was 15 up to present I am very detached from mom.

12 Tips for Raising an Only Child

Despite all this, she has few close friends and often seems lonely. We are engaged on the issue and committed to looking at options that support our full range of digital offerings to the EU market.

12 Tips for Raising an Only Child

I need my mom in my life. Some even think these effects carry into adulthood, with only children having difficulty getting along with co-workers, displaying hypersensitivity to criticism as they become older, and having poor social skills.

Advantages and Disadvantages of Being an Only Child

I need her close to me; I need to see her every day. Nothing he did seemed to have any real meaning for him.

logo

Raising an only child gives you a super-close relationship with them. Mr John seems to be suffering from first world problem.

Your adult child resents the way you parented them. Here's how to handle it.

A type-A only-child may well take their spouse for granted and the spouse should stand-up and renegotiate priorities instead of becoming sullen, resentful, and distant. There was a case study of a jailbird who was an only child, an only child who was molested by her adoptive mother, and many accounts of workaholic only children who suffer with dysfunctional marriages -- disturbing and not related to the whole point of the book, if you ask me.
