Difference Between Room Attendant and Housekeeper

For big hotels, you can find housekeepers who work solely in the laundry department and others performing only cleaning functions, while in smaller hotels housekeepers may be required to combine laundry duties with cleaning tasks. In smaller establishment with fewer guestrooms and public areas to be serviced, the housekeeping unit may just be a small section instead of a department, headed by a housekeeping supervisor , assisted by an assistant housekeeper who takes over in case the supervisor is not around.
