Burpee Seeds and Plants

Co-PI for the project; Robert Gable, Ph D

Consultant and Professor Emeritus, University of Connecticut, Expert evaluator. To keep up with demand, Fedco has hired more customer service representatives, increased the number of daily worker shifts and had to source seeds from additional suppliers.

Milkweed, Monarchs and Home Gardeners to the Rescue

Growing rosemary, basil, oregano, and other herbs and spices in your garden is a great way to save some money and diversify your crop. Succulents make great landscaping features, container gardens, and house plants. Trained volunteers answered consumer's questions and referred them to the brochure and fact sheet resource materials that were specifically developed for this project.

Garden Variety: Where — and when — to source your seeds

President Donald Trump declared a national emergency over the coronavirus. Workshop 18 Instructor: Ted Szczawinski, Licensed Tree Expert; Adjunct Instructor, Rutgers — Newark Believe it or not, proper pruning techniques will keep your plants healthier and happier as well as extend their life cycle..

Burpee Seeds and Plants

Strong, durable and no leaks.
