VALUE-ADDED AGRICULTURAL PRODUCT MARKET DEVELOPMENT GRANTS. The number of such data items shall not be less than the number included on the form on October 7, 1998, unless a State notifies the Secretary that the State no longer requires those data items for the distribution of State need-based financial aid.

Providing for consideration of the bill (H.R. 2576) to amend the Internal Revenue Code of 1986 to modify the calculation of modified adjusted gross income for purposes of determining eligibility for certain healthcare

B SPECIAL RULE- If an applicant submits to the Director of the Office of Management and Budget a request to apply the rules of this subparagraph to the programs in the State in which the applicant is located that are affected by a demonstration project proposed in an application submitted by the applicant pursuant to this section, during such period of not more than 5 consecutive fiscal years in which the project is in effect, and the Director determines, on the basis of supporting information provided by the applicant, to grant the request, then, notwithstanding any other provision of law, the total of the amounts that may be paid by the Federal Government for the period with respect to the programs shall not exceed the estimated total amount that the Federal Government would have paid for the period with respect to the programs if the project had not been conducted. The estimate shall clearly and conspicuously indicate that it is only an estimate of family contribution, and may not reflect the actual family contribution of the applicant that shall be used to determine the grant, loan, or work assistance that the applicant may receive under this title when enrolled in a program of postsecondary education.
