The Liberal Party

In Scotland, the Presbyterians played a similar role to the Nonconformist Methodists, Baptists and other groups in England and Wales. Lloyd George began as a small Nonconformist Radical member of Parliament.

Asquith as Prime Minister, 1908

The party won a landslide victory in the 1906 general election. Increasingly after 1850, the Roman Catholic element in England and Scotland was composed of recent immigrants from Ireland.

The Liberal Party

Princeton, New Jersey: Princeton University Press. As Prime Minister, he led his Liberal party to a series of domestic reforms, including social insurance and the reduction of the power of the House of Lords. In 1909 Lloyd George announced what became known as the.

Richard Haldane, 1st Viscount Haldane

He was largely responsible for the cross-party support for Balfour's Education Act 1902. Nonconformists were angered by the , which integrated Church of England denominational schools into the state system and provided for their support from taxes. Many historians portray a vacillating prime minister, unable to present the necessary image of action and dynamism to the public.

Herbert Asquith

He gave the decision for the Judicial Committee in several of those cases, and showed a marked tendency to favour the provincial powers at the expense of the federal government.

Asquith as Prime Minister, 1908

However the Dissenters were a major voting bloc in many areas, such as the East Midlands. By coincidence, both men had been born in Charlotte

Square, in Edinburgh.
