BSc Business Management

Salaried managers as an identifiable group first became prominent in the late 19th century. Course topics include accounting, financial management, statistics, marketing, strategy, and other related areas. In the early-20th century, people like Ordway Tead 1891—1973 , 1869—1955 and J.

Employee Relations

Our survey of employees shows that just over a third have experienced some form of interpersonal conflict at work over the last year, either an isolated dispute or incident of conflict or an ongoing difficult relationship.

Managing Employee Performance

The University Careers and Placements team will support you to develop your CV and skills through webinars, workshops and 1-2-1 appointments. However, show that proportion of UK employees who were trade union members has been rising slightly in the last few years.

BSc Business Management

Dodge, 1890—1962 , and Thornton C.
