Environment, Security and UN Reform

This page contains articles about proposed reforms to the Council's working methods, as well as efforts to increase its transparency and improve its relationship with other UN organs.

The United States Doesn't Want to Reform the U.N. Security Council

UN peacekeeping, originally developed as a means of resolving inter-State conflict, has been increasingly applied over time to intra-State conflicts and civil wars. In 2015, the UN Secretary-General designated the renowned actor as the first UN Global Advocate for the Elimination of Mines and Explosive Hazards. Commodity Specific Sanctions Commodity specific sanctions are designed to deny the sale of certain commodities.

United to Reform

The semi-permanent reform plan has several advantages from the U.

United Nations Security Council 101

Adding India, Brazil, Germany, Japan, South Africa and Nigeria see table 2 is not an exercise in representativeness, nor is it an act of dispersing power. In El Salvador, Liberia, Sierra Leone, Timor-Leste and elsewhere, this has entailed demobilizing combat forces, as well as collecting and destroying their weapons as part of an overall peace agreement.
