

Computer graphics - programming in OpenGL for visual communication

Prentice Hall - MSE in Computer Graphics and Game Technology

Description: -

- Women -- Religious life.
- Women in church work -- Catholic Church.
- Theresians of the United States (Organization)
- Arabic language -- Translating.
- Koran -- Translating.
- Business writing.
- English language -- Business English.
- Three-dimensional display systems.
- Computer graphics.
- OpenGL. Computer graphics - programming in OpenGL for visual communication
- Computer graphics - programming in OpenGL for visual communication

Notes: Includes bibliographical references (p. 506-508) and index.
This edition was published in 2007
