### Children's Medical Eye Consultants

He graduated and achieved certification by the American Academy of Certified Orthoptics AACO in 2016 and has been working at Pediatric Ophthalmology of Erie ever since as a proud member of Dr. Because they only treat children, they are skilled at getting kids to communicate and discuss challenges with their vision.

### Pediatric Ophthalmology

She has a degree in Orthoptics and Certified Ophthalmic Medical Technology. Children frequently cannot speak or become so anxious that they refuse to speak.

### Pediatric Ophthalmology & Adult Strabismus

Wesley Cox to Pediatric Ophthalmology of Erie, Inc. We provide a broad spectrum of services, from eye cancer care to consultations, routine eye exams, evaluations and surgery.

### Pediatric Ophthalmology & Adult Strabismus

Please click for more information. Cox received his Bachelor of Science degree in exercise physiology form West Virginia University and his doctorate from Salus University-Pennsylvania College of Optometry. They lecture worldwide on the latest advances in pediatric eye care and engage in research to develop new and better treatments that are followed around the world.

### Ophthalmology

Providing multidisciplinary specialty care To provide care to patients whose eyes are affected by a wide range of conditions, our ophthalmologists often collaborate with colleagues in other fields such as neurology, oncology, neonatology, genetics, rheumatology and more.

### Pediatric Ophthalmology Long Island

I would definitely refer people to her.
