## South Asia Collection : Textualities

These interviews reflect religious, linguistic, occupational and gender diversity and provide rich insight into changing experiences of South Asians in the Pacific Northwest.

## Nineteenth

Because Kolkata was the seat of government for most of that period, and the location of the government printing office, most of the titles are Kolkata publications. Interviews from phase one were conducted in 2004 and 2005. Despite these challenges, overall poverty was trending downwards in Nepal prior to COVID-19.

Nepal Durbar Square in Nepal .

## Digital Collections

Bollywood films and songs have particularly popularized Hindi at home and abroad.

### The Countries Of South Asia

The English Company was quick to respond, commissioning A true relation of the unjust, cruell, and barbarous proceedings against the English at Amboyna in the East-Indies, by the Neatherlandish gouernour and councel there, which was compiled on the basis of the testimony provided by the handful of survivors of the trial who had made their way to England. Taken together, these interviews make up a unique record of the lives of South Asians who have contributed greatly to the fabric and texture of the region. While this debate shows no signs of ending, Amboina is also important for a second reason: it became the centerpiece of a long propaganda campaign waged by the English East India Company that turned what happened on this remote island into a symbol of Dutch treachery, cruelty and betrayal.
