## Stilly Valley Health Connections

If an application is denied, potential owners can appeal, a process that can drag on for years. OCR gratefully acknowledges the significant contributions made by Bradley Malin, PhD, to the development of this guidance, through both organizing the 2010 workshop and synthesizing the concepts and perspectives in the document itself. At this point, the expert may determine that certain combinations of values e.

## Methods for De

Two methods to achieve de-identification in accordance with the HIPAA Privacy Rule.
