Zorba The Greek Café — Zorba

Unquestionably the worst Greek food. Here's my summary: privileged, naval-gazing student meets presumptuous windbag, believes him to be answer to his navel-gazing problems, women are denigrated left and right, reader is left awed at how this ever became popular.

Zorba the Greek (1964)

He then asks Basil directly when he plans to leave, and Basil replies that he will leave in a few days. You're on a long piece of string, boss; you come and go, and think you're free, but you never cut the string in two.

Zorba the Greek (1964)

Really, it just is astonishingly bad to contemporary sensibilities. Alongside this portrayal of mankind as a confused, self-conflicted mass of mutually contradictory lives all bound for the same place - the grave - Kazantzakis gives us a vivid picture of his native Crete early in the 20th century, how it looked, smelled and tasted, how its people lived and acted. Kazantzakis, I suspect, was an author who was better suited to something more prosaic - like fumigation.

Zorba the Greek Quotes, Movie quotes

Zorba then has an idea to use the forest in the nearby mountains for logging, his specific plan is left ambiguous, but it seems he thinks the timber can be used to shore up the tunnels. However, as a stand-alone philosophy, I see.

Zorba the Greek (1964)

Now that he is over 60 his specialty is widows. He receives a premonition though, that his great friend has died, and thus runs back down the mountain yelling his name. Thus, the miners live away from the village, slowly building rapport with the town elders, all the while regaling each other with the stories of their travels.

[30+ quotes from Zorba the Greek by Nikos Kazantzakis](#)

The real reason this book is still read and he easily dominates the story, is the passionate Zorba, naturally such a man. They have a joyful and hearty lunch with Madame, and she tells the story of how at one time she controlled the four world powers with her beauty.

Zorba The Greek Café — Zorba

Zorba decides to go for a walk, presumably to grieve, and he encounters Manolakas, who wishes to fight Zorba for dishonoring him at the church.
