But I just don't get it.

## Promoting Literacy in the Classroom: Strategies & Tips

When she is not talking about herself, she is talking about women from other generations, she calls them spinsters, but they have all been married. If you have older children, they can share books with your younger children, or you can all read together.

#### **4 steps to a successful personal development plan**

It is all very well for you to say, pointing to the streets and squares and forests of the globe swarming with black and white and coffee-coloured inhabitants, all busily engaged in traffic and enterprise and love-making, we have other work on our hands.

#### **Promoting Literacy in the Classroom: Strategies & Tips**

The guide leads their blind partner slowly through the word carpet narrating the scene as they travel. I'm not married either, and I wouldn't write a book about it unless it were two pages long. Taking turns, asking questions and listening to the answers are all important skills that will help children when they start learning how to read.
