## Japanese Encyclopaedias: A Hidden Impact on Late Qing Chinese Encyclopaedias?

But both men ended up giving in to pressure from the Navy, and its promise of assistance of a naval air squad in the assault on Singapore. This famous student of Nishida Kitarō and Tanabe Hajime, an early materialist philosopher, has written a personal introduction to philosophy under the guise of writing a commentary on Nishida philosophy. The pronunciation script next to kanji often amplifies this internationality by using Chinese and English pronunciations written in katakana instead of the Japanese pronunciation.
