In the Heart of Manette! There she would continue operations from China to Australia and Japan for more than a decade, only venturing back to the West Coast for regular overhauls.

Nipsic to Nimitz a Centennial History of Puget Sound Naval Shipyard by Reh Louise M and Ross Helen Lou

By 1939, the shipyard was employing more 6,000 workers.

Puget Sound Naval Shipyard

Powered by two diesel engines and two electric motors, the vessels could reach up to almost 11 knots while submerged and 14 knots while on the surface. Just as the crane itself has a storied past, the material used to build it holds historical significance. The hammerhead crane at the now-closed Philadelphia Naval Shipyard in the late 1990s.

PSNS, ONE HUNDRED YEARS OF TRADITION, Lloyd Pritchett, Sun Staff

Although the Life Saving Service had been started three years prior to the Huron running aground, due to massive under funding the Service only manned stations in North Carolina for three winter months beginning December 1; one week too late to be of help to the crew of the Huron.
