

Synthesis and characterisation of some lead containing superconductors

University of Birmingham - Synthesis and Characterization of the First Group 2 Mixed .beta.

Description:-

-Synthesis and characterisation of some lead containing superconductors

-Synthesis and characterisation of some lead containing superconductors

Notes: Thesis (Ph.D.) - University of Birmingham, School of Chemistry, 2003.

This edition was published in 2003

Filesize: 20.47 MB

Materials Chemistry

Moore, The birth of topological insulators. Neue Entwicklungen der Molekülchemie für Sol-Gel-Prozesse.

Synthesis and characterization of superconductor Bi₃O₂S₃

The thermogravimetric behavior of different GICs was evaluated by thermogravimetric analysis TGA Fig.

Synthesis and Characterization of the First Group 2 Mixed .beta.

This result is probably due to the presence of defects in the GICs crystal lattice.

Materials Chemistry

Allow the liquid nitrogen to evaporate and the pellet and magnet to warm to room temperature before handling them with your fingers.

Synthesis of Superconductors

The Journal of Physical Chemistry C 2019, 123 39 , 24338-24346.
