King's Kitchen Indian Restaurant

We pride ourselves one getting to know every regular that walks through the door and to provide great service to all that just want to place an order to go. Spices, spice mixes and masalas of Chataka offered me exactly the same things. Copyright © 2020 - Nawabskitchen.

Chataka is a Pune based manufacturer of the Quality Spices in India

Three mango chat masala now comes in an attractive sprinkling dispenser for easy use. A recipe from the kitchens of the Muslim royals, handed down through generations.

Curry

Sieve powder through a big strainer, grind again if required and discard any large pieces of spice.

Kig Kitchen

You may find list of ingredients long but it's really flavorful and fabulous spice powder to have in your kitchen, if you don't have one or two ingredients you can skip that. Cooked in vapour tight vessels by alternating the half cooked rice with layers of chicken curry or veg curry, the Biryani finally garnished with fried onions, coriander and boiled eggs makes a wholesome meal anytime. An incredible mix of the hot, sweet and tangy Three Mango Chat Masala, used in a range of lip-smacking savouries.

Chataka is a Pune based manufacturer of the Quality Spices in India

I picked a packet each of these two and must say, an amazing combination of the same traditional masalas yet an all new exciting taste that everyone loved! From the much loved golgappe, jaljeera to the refreshing fruit chat, everything makes up for a perfect light snack.

Homemade Kitchen King Masala Powder Recipe ~ Indian Khana

Three Mango Kitchen King Masala makes it easier for you to access this exquisite flavour. The flavorful kitchen king adds wonderful aroma and

taste to any dish perhaps that's why it's called Kitchen King? Want to treat your taste buds with delicious Indian food? I love badshah brand masala over any other brand but unfortunately it's difficult to get badshah brand masala here unless I am lucky to lay my hands on that and the funny thing is I never got Kitchen King in badshah brand, I mostly end up using Everest.

Chataka is a Pune based manufacturer of the Quality Spices in India

Our spices are especially picked for choosy Indian foodies who like to relish authentically spiced cuisines at home. We recently shifted our choice of spices to experiment a little with taste and flavours. Our formula blends in with this healthy curry of lentils and vegetables, boosting the flavour of all the ingredients.
