### The Management Systems of Edo Period Merchant Houses

Others claim that Shogun Minamoto no Yoritomo 1147-1199 , the founder of the Kamakura warrior government, accidentally created the same dish the same way four centuries earlier. Abstract: As more scholars enter the field of Japanese food history, we are all becoming aware of how much more there is to learn. These two books made me want to study Tokugawa social history and the nitty-gritty detail of everyday life and conflict.
