### **London's Mental Health Workforce**

Immediate infection control concerns were highly salient for inpatient staff, new ways of working for community staff. This is sourced from the 2015 Housing Conditions Survey produced by the Scottish Government and available.

### **Scotland's Wellbeing: national outcomes for disabled people**

Both groups discussed the study at online meetings and identified important topics for inclusion. *The Lancet Psychiatry* 7 6 : 463.

### **NHS reform timeline**

And as The Point of Care Foundation also notes, there is evidence to link staff satisfaction and morale not only with patient experience but also with clinical quality and productivity The Point of Care Foundation 2014.

### **Students contribute to London's diversity and inclusion strategy**

Depending on the detail provided to open-ended questions, the survey typically took 15—30 min to complete. Service users have campaigned for changes for decades.

### **The Health Devolution Commission**

All specialties were included, as were NHS, private healthcare, social care, and voluntary sector services. Available at: accessed on 12 January 2015. It described problems in recruiting and retaining staff and a lack of skills among primary care staff.

### **Data and evidence**

It offers a comprehensive overview of substantial changes to policy and governance structures in London and nationally, and probes the special challenges posed by London's population. The shift to remote working, strikingly rapid given that tele-health has been discussed over many years but with limited implementation, has been widely discussed; we examine staff perspectives on this in detail in the current study.

### **Students contribute to London's diversity and inclusion strategy**

In this instance, the data was made available in three parts, rather than two. However, the report also highlighted some areas for improvement. House of Commons Petitions Committee 2019 Online abuse and the experience of disabled people.
