Collector's Encyclopedia of Pendant and Pocket Watches, 1500

Movimenti semplici o complessi, mossi da molle o da pesi, controllati da pendoli o da bilancieri.

Collector's Encyclopedia of Pendant and Pocket Watches, 1500

It is possible that the item, although obviously at one time intended to be exported to Germany, could have been directed to a different market after being stamped in Switzerland and never actually passed into or through Germany at all.

Identification & Guides

Why do most books only show the marks on silver? This is explained further in the following section.

Illinois Watch Company: History, Serial Numbers, Production Dates

The wristwatch arrived on scene in the nineteenth century, and since then it has taken every possible shape-from the jeweled creations of the great watchmakers to the dive watch and other sports models.

How to Date a Pocket Watch

I expect that the only person who has a collection of gold plate is Her Majesty the Queen, and I doubt that she needs to consult a book to know about it. French, Art Deco will help pinpoint where to begin searching for a match to the mark in question. This is because the case was stamped with the sponsor's mark in Switzerland by the case maker but then not imported into Britain.

Identification & Dating

Today it is used to mean a control mark applied to precious metals after assay testing by a legally authorised body that is independent from the manufacturer of the item. Whether you simply find watches fascinating or you have an old watch that you are curious about, this book is the one for you. Old pocket watches carry secrets as well as the time.

Selected Books for Vintage Watch Collectors

Listed under by Caroline Childers, Roberta Naas This highly illustrated volume offers a luxurious, in-depth look at an essential tool and fashion accessory. The guide also has dedicated illustrated entries on how a watch works, watch parts nomenclature, the individual parts of a watch movement, how to properly open a pocket watch, caring for your watch, railroad watch dials, cases and adjustments, determining the age and manufacturer, and appraising. Back to the of the page.

Jewelry Identification

Forearmed with the basic jewelry era parameters on the item under investigation helps to target further search efforts.
