**Page Through The Diaries Of Louisa May Alcott At Harvard's Houghton Library Archives**

Quotes from that novel, as well as Ryan's insightful annotations, reinforce the parallel between Alcott's fiction and her childhood years. Despite being 170 years old, according to Gulli, Alcott's papers appeared to be in relatively good shape. Isabel is not what I thought her.

Through her entries in a journal, Louisa is

## The Girlhood Diary of Louisa May Alcott, 1843

Stern has added an in-depth introduction to The Journals of Louisa May Alcott, the only unabridged edition of Alcott's private diaries. The Alcotts were friends with some of the most interesting and prominent writers of the time, but they never had enough to support themselves, and the women worked and worried while Bronson tried and failed again and again to find ways to make money that would also further his causes. That last is one of my favorite quotes, too.

presented as a real girl, with heartfelt emotions.

I spent my snack time and lunch writing Jo March fan fiction.

### **Louisa May Alcott: Her Girlhood Diary by Cary Ryan**

The work is narrated by the 40-year-old Nellie and follows a love triangle among her orphaned niece Annie Ellerton, Annie's dark-haired friend Isabel Loving and the visiting Edward Clifford, a 'tall, noble-looking' young man with a complicated past. An intriguing idea for a book, no? The same applies to his latest offering, *A Worse Place than Hell: How the Civil War Battle of Fredericksburg Changed a Nation*, He weaves the biographies of five individuals—assistant Supreme Court Justice Oliver Wendell Holmes, Jr.

**9780816731398**

From the age of eight she would keep a journal, recording her passions, her moods, and her difficulty controlling her temper, and would continue to express her feelings throughout her lifetime in hundreds of works in a wide variety of literary forms. No boy could be my friend till I had beaten him in a race, and no girl if she refused to climb trees, leap fences, and be a tomboy.

Six months of Transcendental agriculture left the Alcotts destitute, Bronson suicidal, and the Alcott marriage on the verge of dissolution. Writing as a release I got the impression that writing in her journal was therapeutic for Louisa; I know the benefits of that therapy having employed the method a great deal during my adolescence.

### **A Worse Place than Hell: John Matteson's Personally Guided Odyssey through the Civil War**

She published under the androgynous pseudonym A.
