## Nationalism Requires Economic Leadership

An Essay on Universal History: The Manners and Spirit of Nations. Political time-horizons were short and long-term consequences would look after themselves.

## Canada: The New Nationalism

Lesage had the desire to change the role that the state had over the province, he no longer wanted economic inferiority of French Canadians and the Francophone society but rather evolving organized labor, educational reform and the modernization of political process.

## International Relations on the Rise of Nationalism: Domestic Politics

Moreover, Canada's solution to the problem of biculturalism laid the groundwork for becoming what it now is: a truly multi-cultural society, something America historically resisted, preferring a model of integration by assimilation. While they retain a healthy skepticism of the liberal establishment-the moneyed, the educated and the bureaucracy-they are not prepared to trust their own leaders to govern except on rare occasions. During this time, Quebec was a place of enlightenment, there were changes in the society, values, and economy.

## 8.14 Economic Nationalism

A number of multinationals started their branch plants or subsidiaries inside Canada. According to Sweet, however, this would be a mistake: Iberian racial categories were directly influenced by Islamic practice and thought and these Iberian categories are the direct antecedents of colonial-era racial theorizing. While we strive to provide the most comprehensive notes for as many high school textbooks as possible, there are certainly going to be some that we miss.
