Thus, copying and pasting ideas from other sources, even if they are a perfect reflection of what you think on the subject, is an unfaithful practice any student should avoid not to stain their academic reputation.

Scineer Publishing

In a survey, over 97% of returning High School AP Readers and over 71% of returning Higher Ed AP Readers said that they made changes to the way they teach or score work because of their experience at the AP Reading. Many discussion questions focus on text-dependent questions.
