18 Essay

In the Darkroom follows feminist scholar Susan Faludi as she reunites with her estranged father, who is now living as a woman in the Budapest of her youth. This is an amazingly hilarious, uplifting, and bizarre read for anyone who needs the reminder that fitting in is overrated. Some of the best feel like listening to a friend tell you about their life, often in beautiful prose.

Memoirs

Since that time period, up until 2006, when this book ends, France has lived through the war, the pill, the rise of consumer culture and a whole blizzard of idea-fads, which she threads her life through and around—a boat traveling down a current of past-ness. This memoir focuses on the early days of the firm and one of the first clients, Walter McMillian, a Black man wrongly convicted of murder.

What Is a Memoir?

The advice and inspiration in his memoir are profound, with so many quotable moments you'll cling to long after you've finished the book.

What Is a Memoir?

Along the way Ernaux became a public person, a famous person even, in small circles, and this book comes to grip with the loss of singularity that entails. What lessons did you learn? That Macdonald manages literary biography, pastoral meditation, grief diary, and falconry how-to all in one book is a true marvel, and will remain so as this nearly perfect memoir takes its rightful place in the canon. In such a memoir, the author provides a retrospective of their past through the lens of one topic.

18 Essay

Ultimately, this memoir is a testament to strength and love.

Memoir Books

The result is a gorgeous pastiche of histories that is at once deeply personal and incredibly wide-ranging.

25 Best Memoirs of All Time

Her book begins with her childhood, through meeting Barack at a law firm, and continues all the way through her time in the White House. In it, he focuses on his relationship with his father, who died when Baldwin was 19. For even more Allie classics, check out and George Watsky, Watsky is a rapper and spoken word poet who built his following on YouTube.

Memoirs

A combination of legal decisions, advice from her mother, and stories of her strides towards gender equality make for a lasting memoir of a woman whose legacy endures. Her signature comic style drives home the humor in a way that will split your sides. Determined to find her American Dream, Ilhan worked through every hardship to her election to Congress in 2019.
