Günther Anders

The war diary of the BdU on 17 December 1939 stated that even though a hit was observed the cruiser was not sunk. The emphasis on Chapter Two will be his political involvement in the 1960s and '70s and concomitant political writings. Pressured to categorize his ideas, he later coined the term *Diskrepanzphilosophie* philosophy of discrepancy to describe his focus on the increasing divergence between what has become technically feasible e.
