Natural horsemanship

Punishment by physical force is rarely used in natural horsemanship, and many practitioners caution against the misuse of aids such as. When it is good, it is very, very good--and it is mostly that.

The Horse Whisperer [Original Soundtrack]

Annie knows that if the horse dies, something in Grace will die too.

Horse whisperer, e.g. Crossword Clue Answers, Crossword Solver

The queen chuckled with delight and gave Rarey a hundred dollars. It should be a habit. Astonished, Monty realized that he could train horses by using their language, speaking to them in ways that would form trust and understanding.

The Horse Whisperer Movie Review

The author's descriptions are so vivid, so absolutely beautiful, from the breath taking views of Montana to the characters, their feelings and situations! Grace reluctantly agrees, and she and Annie go to stay at the Booker ranch where Tom lives with his brother and his brother's family. I did enjoy the 'meeting-of-two-worlds' aspect of the story. Brannaman also doubled for Robert Redford in the film and served as the consultant.
