## Environmental Protection Agency (ROI)

External emergency planning In addition certain aspects-in relation to external emergency planning -will remain with the local authority—as is the case currently -in relation to responses to major emergency management-see Regulation 6 internal emergency planning is an operator responsibility.

## Informes:

In addition organisers of trade shows, exhibitions and events where food is supplied must prepare Food Waste Management Plan s before and Food Waste Management Implementation Report s after the events on their provisions made and implemented in order to comply with these Regulations. See link to Revenue below.

## Monitoring and Assessment Publications

The derogation for premises that produce less than 50kg of food waste per week has now lapsed and consequently all Scheduled premises are now required to comply with the Commercial Food Waste Regulations. Maps of the smoky coal ban specified areas are available on the DoEHLG website -.

## Informes:

Operators who held a current Certificate on 31 Dec 2012, and who renew 28 days prior to the expiration of their current certificate may be given an extended period of validity to Sept 2016. You can also call the Customer Service Desk at 0761 065000.

## soil & land

A notice may be served on the owner requiring works to be carried out to prevent the structure or place from being dangerous.

## **Environmental Protection Agency (ROI)**

Without the pollination service freely provided by our bees and hoverflies, it would be increasingly difficult and expensive for farmers to produce some crops at current scales and could result in a loss of consumer choice for Irish grown products.
