Making Communities More Viable: Four Essential Factors for Successful Community Leadership

Eligibility Requirements: A resident with a valid resident ID card can apply for a guest ID card.

Aquatic and Community Recreation

The Faculty of Kinesiology and Recreation Management has many opportunities for you to explore, including a supervised fieldwork experience, a minor in recreation studies, an option in aging and four areas of study: community development, tourism, sport and event management, and outdoor recreation.

Essential Elements for Positive Youth Development — Publications

Learners will focus on communication skills, written and oral. When youth programs combine these three components, youth are more likely to stay involved and experience the essential elements that serve as the foundation of positive youth development programming. An original Villages guest ID card is required for all guests 1 year of age and older.

City of Richmond BC

Cooperating chambers of commerce, community groups, and even various churches are all examples of groups with similar interests that could easily combine forces and collaborate.
