## Civic Engagement and Student Success: Leveraging Multiple Degrees of Achievement

Have good ideas for designs that others can execute? We found that partnerships have much room for improvement in several key areas: communication and relationship-building, managing and evaluation of students, and cultural competency, as well as the challenge of short-term service-learning.

### An Introduction to Service

grant

High Impact Educational Practices: What They Are, Who Has Access to Them, and Why They Matter. Each chapter addresses issues related to individual practice as well as to the collective work of starting and developing a service-learning center or program, with examples drawn from a variety of disciplines, situations, and institutional types. Pursuance is open source software that enables individuals to organize in the pursuit of shared goals.
