

Analysis III - spaces of differentiable functions

Springer-Verlag - ANALYSIS III: SPACES OF DIFFERENTIABLE FUNCTIONS: By S. M. Nikol'skii **Mint**

Description: -

- Asymptotic expansions.
- Integral transforms.
- Integral representations.
- Operational calculus.

Analysis III - spaces of differentiable functions

- Unesco Manuals For Librairies -- 14
- Encyclopaedia of mathematical sciences -- v. 26

Analysis III - spaces of differentiable functions

Notes: Translation of Analiz 3, published as part of the series Itogi nauki i tekhniki. Seriya sovremennye problemy matematiki.

Fundamentalnye napravleniya.

This edition was published in 1991

Analysis III: Spaces of Differentiable Functions: 26 : Peetre, J., Nikol'skii, Sergei M., Kudryavtsev, L.D.: localizing-imaging.justmote.me.au: Books

A large number of results obtained in the past 30 years are included.

Analysis III

Thus, the Part does not constitute a survey of all contemporary questions in the theory of imbedding of function spaces. .

6.3.E: Problems on Differentiable Functions

Maz'ya have graciously read the Part in manuscript form. Provide details and share your research! All the definitions and formulations of the main theorems which are necessary to understand the modern literature on spaces of differentiable functions can be found in this volume. It's probably a good idea to try to prove this on your own without consulting your books.

Analysis III: Spaces of Differentiable Functions: Encyclopedia of Mathematical Sciences: Vol. 26 by S. M. Nikolskii

Of course, such a choice had to some extent have a subjective character, being in the first place dictated by the personal interests of the authors. A large number of results obtained in the past 30 years are included. The LibreTexts libraries are and are supported by the Department of Education Open Textbook Pilot Project, the UC Davis Office of the Provost, the UC Davis Library, the California State University Affordable Learning Solutions Program, and Merlot.
