### A Dark Side of Ellis Island's History

The United States suffered through the Great Depression in the 1930s. Nazi prisoners, for example, were allowed to celebrate Adolf Hitler's birthday each year. The rooms are whitewashed because they are halfway with blue tiles and the rest to the ceilings painted and the blacks that clean them leave them as clean as god and the floors the same, they are with tiny tiles.

The effect was to exclude Asians, Jews, blacks, and non-English speakers. Instead of quotas, immigration policy was now based on a preference for reuniting families and bringing highly skilled workers to the United States. Further restrictions followed, such as the National Origins Act, which allowed prospective immigrants to be examined in their country of origin, and often refused before making the trip to Ellis Island.
