## Do the labour market returns to university degrees differ between high and low achieving youth? Evidence from Australia

An education contract or learning agreement is obligatory for every apprentice; this should specify the content and scope of the WBL. Its purpose is to improve grades and to prepare for vocational education or familiarisation with the working life. .

## Political and Economic Situation

Standards for VET Accredited Courses has the meaning given by section 188. . Public Comment: In response to our invitation in the NPP, 12 parties submitted comments on the proposed priorities, requirements, and definitions.

## Technical, Vocational and Continuing Education

. Measures Most of the measures used in this study were constructed from the derived variables already in the data set. .

## National Vocational Qualification

National programme councils with strong social partner involvement To strengthen cooperation between education and the world of work, national programme councils include social partners for each of the national vocational programmes in upper secondary schools. There are considerable differences in calculated cost between the different programmes, with vocational programmes being both the most diverse and also on the more costly end of the spectrum. Early leavers from education and training in 2009-18 NB: Share of the population aged 18 to 24 with at most lower secondary education and not in further education or training.

## **National Vocational Qualification**

Analyzing youth cohort data, Héault and Zakirova found premiums for earnings of between 8 and 11% for completed bachelor degrees in the years following graduation. Priority 2 Vocational Rehabilitation Technical Assistance Center for Quality Employment The purpose of this priority is to fund a cooperative agreement to establish a Vocational Rehabilitation Technical Assistance Center for Quality Employment VRTAC-QE .
