## Tamil language

. He wanted to ASK her OUT but was too shy. Pay off Produce a profitable or successful result.

## Tamil Script Writing

The plural form for rational nouns may be used as an honorific, gender-neutral, singular form. We PALLED UP when I started working with her. As centuries go by, and different words are coined or adopted from other languages, the way they are pronounced might shift and change in emphasis.

## 150 words with more than one meaning

Only Valavan was talking to Kanimozhi who was standing next to him. Colloquial spoken Tamil, in contrast, shows a number of changes.

## 150 words with more than one meaning

Nerd out Play safe and avoid taking a risk. Dictionaries tell us that the use of the same word for to complain or grumble comes from USA farming slang in the 19th century.
