## Biden can clean up Trump's Israeli

During a flare-up in early May, Israeli airstrikes killed 25 Palestinians, 13 of whom were civilians killed in strikes that appeared to contain no military objective or caused disproportionate civilian loss in violation of the laws of war, while Palestinian armed groups fired 690 unguided rockets towards Israeli population centers, war crimes, killing four Israeli and two Palestinian civilians.

## Israel and Palestine: What is the history of the conflict between them in the Middle East

. The list of undesirable consequences is almost endless. Palestinians killed five Israelis and wounded at least 46 in the West Bank, as of September 17, according to OCHA.

## Israel and Palestine: What is the history of the conflict between them in the Middle East

In 2015 and 2016, the Obama administration made meaningful diplomatic efforts to revitalize negotiations between Israel and the Palestinians, hoping to lead both sides to a comprehensive peace treaty that would end the conflict once and for all. Sadat became unpopular among his fellow Arab leaders and his people; in 1981, he was assassinated by Islamic extremists.

## What are Israel and Palestine? Why are they fighting?

. Egypt became the first Arab country to recognize Israel.

## Resolving Israel

A vote in the near term does not seem likely. Secretary of State John Kerry then spoke with Mahmoud Abbas, the president of the Palestinian Authority, and Prime Minister Benjamin Netanyahu of Israel to formally invite them to send their negotiating teams to Washington... The goal of the negotiations will be to establish a Palestinian state alongside Israel with agreed-upon borders and security arrangements.
